I. INTRODUCTION

This document contains a Request for Proposals for providing food service management services for ALAMO HEIGHTS ISD participation in the United States Department of Agriculture's School Nutrition Programs and sets forth the terms and conditions applicable to the proposed procurement. Upon acceptance, this document shall constitute the contract (Contract) between the offeror and the school food authority.

The Texas Department of Agriculture (TDA) is not and will not be a party to any contract between a school food authority (SFA) and a food service management company (FSMC). The school food authority has full responsibility for ensuring that the terms of the Contract are fulfilled. The Texas Department of Agriculture (TDA) has no involvement with the enforcement of this Contract; however, TDA can deny payment for meals received or purchased under an invalid Contract.

II. REQUEST FOR PROPOSALS

A. Legal Notice

Notice is hereby given that ALAMO HEIGHTS ISD, hereinafter referred to as the School Food Authority (SFA), intends to examine alternatives to its present food service program.

No intent should be construed from this legal notice that SFA intends to enter into a contract with any party for alternative food service unless, in the sole opinion of SFA, it is in SFA's best interest to do so.

All costs involved in submitting a response to this Request for Proposals (RFP) shall be borne in full by the party incurring said cost.

SFA reserves the right to accept any proposal which it determines most favorable to the interest of SFA and to reject any or all proposals or any portion of any proposal submitted which, in SFA's opinion, is not in the best interest of SFA.

The offeror to this RFP will be referred to as the FSMC, and any contract that may arise from this RFP will be between the FSMC and the SFA.

B. Request for Proposals

Proposals will be received until 2PM CST on 3/18/2019 for supplying ALAMO HEIGHTS ISD (SFA) with food service management services during the school year of 2019 - 2020, with options for renewal of the Contract for four (4) additional terms of one year each.

SFA will consider :

- Cost-reimbursable Proposals
- Fixed Meal Rate Proposals

Competitive sealed proposals are subject to all the conditions and specifications attached hereto and will be received in the office of ALAMO HEIGHTS ISD and shall be marked on the envelope "Food Service Management Proposal, # 2019" and also marked on the envelope with respondent's return address.

SFA reserves the right to reject any and all proposals and to waive any minor technicalities in order to take the action which it deems to be in the best interest of SFA.

Additional information required to adequately respond to this RFP may be obtained from SFA's business office telephone 210-822-3374.

Offerors must submit a complete response to this RFP, including all certifications, in order to provide a responsive proposal.

Contracts entered into on a basis of submitted proposals are revocable if contrary to law.

(See Standard Terms and Conditions herein below).

C. Procurement Method

Procurement Method will be the Competitive Sealed Proposals method (commonly known as a Request for Proposals or RFP). The Competitive Sealed Proposals method differs from the traditional sealed bid method in the following ways:

- Competitive sealed proposals allow discussions with competing offerors and adjustments to the initial proposal.
- Comparative judgmental evaluations may be made when selecting among acceptable proposals for award of the Contract.

As provided herein, under state law and/or regulations and SFA's policy, discussions may be conducted with responsible offerors who submit proposals (Proposals) determined to be reasonably susceptible to be selected for award, for the purpose of clarification, to assure full understanding of all terms and conditions of the response to this RFP and Contract's requirements. In conducting these discussions, there shall be no disclosure of any information derived from proposals submitted by competing offerors.

All procurement transactions shall be conducted in a manner that provides maximum full and open competition consistent with 2 CFR § 200.

D. Pre-Proposal Meeting

A meeting with interested offerors to review the specifications, to clarify any questions, and for a walkthrough of the facilities with school officials will be on 3/4/2019 at 5pm CST. Location: 7101 Broadway San Antonio, TX 78209. Attendance is required, and no guaranteed cafeteria visits. Vendor presentations will not be scheduled at this time.

E. Proposal Submission and Award

SFAs must use this prototype FSMC RFP and Contract to be approved. An SFA not completing the required procurement procedures cannot be approved for participation in the reimbursement programs.

Two copies of Competitive Sealed Proposals are to be submitted to:

Name: ALAMO HEIGHTS ISD

Mailing Address: 7101 Broadway

Physical Address: 7101 Broadway

City: San Antonio

State/Zip: Texas / 78209

Opening will be at 2:01 PM(CST) 3/18/2019. Proposals will not be accepted after this time. All Proposals are to be submitted in a sealed envelope marked "Food Service Management Proposal, # #2019."

SFA reserves the right to accept any Proposal which it deems most favorable to the interest of SFA and to reject any or all Proposals or any portion of any Proposal submitted which, in SFA's opinion, is not in the best interest of SFA.

To be considered, each offeror must submit a complete response to this solicitation using the forms provided, along with any other documents submitted as a part of the Proposal, and considered responsive to this RFP. No other documents submitted with the RFP and Contract will affect the Contract provisions, and there may be no modifications to the RFP and Contract language. In the event that offeror modifies, revises, or changes the RFP and/or Contract in any manner, SFA may reject the offer as non-responsive.

Award will be made only to a qualified and responsible offeror whose Proposal is responsive to this solicitation. A responsible offeror is one who's financial, technical, and other resources indicate an ability to perform the services required. Offeror shall submit for consideration such records of work and further evidence as may be required by the SFA's Board of Trustees. Failure to furnish such records and evidence, or the inclusion of any false or misleading information therein, shall be sufficient cause for the rejection of the Proposal or termination of any subsequent Contract.

The qualification data shall be submitted by each offeror along with the sealed Proposal, and offeror must be incorporated or licensed to do business in the State of Texas and must be registered with the Food and Nutrition Division (FND) of the Texas Department of Agriculture (TDA). Respondents should submit annual reports or financial statements for the past fiscal year in the format of an "accountant's review," including notes to the financial statements and provided by a certified public accountant. If offeror is doing business with like school systems and is familiar with the regulations pertaining to operations in such environments, offeror will receive points for that experience in the evaluation of the weighted criteria. If offeror is presently operating a comparable, successful National School Lunch Program (NSLP) and School Breakfast Program (SBP) in a school setting, offeror will receive points for that experience in the evaluation of the weighted criteria.

Offerors or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, and specifications before submitting proposals; failure to do so will be at the offeror's own risk and it cannot secure relief on plea of error. The SFA is not liable for any cost incurred by the offeror in submitting a proposal. Paying the FSMC from School Nutrition Program funds is prohibited until the Contract is signed.

If additional information is requested, please contact Mike Hagar at 210-822-3374. Any additional information provided to one offeror will be available to all.

F. Late Proposals

Any proposal submitted after the time specified for receipt will not be considered and will be returned unopened.

G. Altering, Amending or Withdrawing Proposal

No proposal may be altered, amended or withdrawn after the specified time for opening proposals.

H. Calculation of Time

Periods of time, stated as a number of days, shall be calendar days.

I. Firm Offer

By submitting a response to this RFP, and if such response is not withdrawn prior to the time for opening proposals, offeror understands and agrees that it is making a firm offer to enter into a Contract, which may be accepted by SFA and which will result in a binding Contract. Such proposal is irrevocable for a period of ninety (90) days after the time for opening of proposals has passed. _____(FSMC must initial and date here to show agreement)

J. Final Contract

The complete Contract includes all documents included by the SFA in the RFP, and all documents submitted by the FSMC that have been mutually agreed upon by both parties (i.e. worksheets, attachments, and operating cost sheets) and identified in Section III, Paragraph 5 of the Standard Terms and Conditions.

Any change to the scope of services to be provided by FSMC that is beyond the scope or original intent of this RFP and Contract, or that would constitute a material change to the RFP/Contract must be rebid. A key factor in determining materiality is whether other bidders knowing of the change would have bid differently. (Reference USDA Guidance Memo SP2-2010, October 9, 2009.)

25. FSMC shall comply with all SFA building rules and regulations.

26. Gifts from FSMC: The SFA's officers, employees, or agents shall neither solicit nor accept gratuities, favors, nor anything of monetary value from contractors nor potential contractors in accordance with all laws, regulations and policies. To the extent permissible under federal, state, or local laws, rules, or regulations, such standards shall provide for appropriate penalties, sanctions, or other disciplinary actions to be applied for violations of such standards. (See SP 09-2015; and 2 CFR Parts 200.112 & 318).

27. Any additional payments to the SFA or any foundations or organizations associated with the SFA that are unrelated to food service, such as money or rebates for school improvements and student scholarships, are not allowable.

28. SFA shall obtain and post all licenses and permits that it is required to hold under federal, state or local law.

29. In the event that the RFP requires FSMC to provide management services for SFA's School Nutrition Program, the parties shall operate the Program according to federal, state, and local regulations.

30. In the event that FSMC provides management services for the Fresh Fruit and Vegetable Program (FFVP) at any of SFA's Food Service Locations, SFA and FSMC shall operate the FFVP in accordance with the requirements of Section 19 of the National School Lunch Act, all applicable regulations and policies, and the FFVP Handbook for Schools, as well as USDA guidance issued via memorandum and the Administrative Review Manual (ARM). FSMC must make substitutions in the food components of the meal pattern for students with disabilities when their disability restricts their diet as stated in the students' Individual Educational Plans (IEPs) or 504 Plans and when the need for the substitution is certified by an appropriately licensed medical practitioner. Substitutions for disability reasons must be made on a case-by-case basis only when supported by a written statement of the need for substitutions that includes recommended alternate foods, unless otherwise exempted by FNS. Such statement must be signed by an appropriately licensed medical practitioner (reference: 7 CFR §210.10(g)(1); SP 40-2017; SP 26-2017; and SP 59-2016. There will be no additional charge to the student for such substitutions. (USDA, "Accommodating Children with Special Dietary Needs in the School Nutrition Programs Guidance for School Food Service Staff.")

Substitutions shall be made when a medical authority or student's parent or legal guardian submits a written request for a fluid milk substitute identifying the medical or other special dietary need that restricts the student's diet. Notification of fluid milk substitutions shall remain in effect until the medical authority or the student's parent or legal guardian revokes such request in writing, or SFA changes its substitution policy for non-disabled students. Fluid milk substitutes shall provide nutrients as required by federal and state regulations. There will be no additional charge to the student for such substitutions. (Reference 7 CFR § 210.10[g] and 7 CFR § 220.8)

Additionally, SFA and FSMC shall agree to detailed Meal Specifications for each meal included in the 21-day cycle menus in Program Cycle Menus, which are attached to this Contract as "Exhibit B" and fully incorporated herein. At a minimum, such Meal Specifications shall include: (i) a recipe for each menu item that includes the total yield, portion size, ingredients and all USDA-required nutrient information; (ii) the identity of all branded items that may be used in the meal; and (iii) whenever possible, the grade, style and condition of each food item and other information that indicates the acceptable level of quality for each food item. FSMC shall provide a detailed recipe for each Meal Specification identified for the 9th day in the NSLP menu cycle. A hard copy of these recipes shall be kept on file at SFA.

3. FSMC must follow: (i) the 21-day menu cycle and Meal Specifications developed by SFA for the NSLP; (ii) the 21-day menu cycle and Meal Specifications developed by SFA for the SBP; (iii) the 21-day menu cycle and Meal Specifications developed by SFA for the After School Snack Program; and (iv) the 21-day menu cycle and Meal Specifications developed by SFA for the Summer Program.

4. FSMC shall serve a la carte items that follow a 21-day menu cycle contained in Exhibit B and that meet all state and federal School Nutrition Program requirements. Additionally, SFA and FSMC shall agree to detailed a la carte specifications for each a la carte item included in the 21-day cycle menu. At a minimum, such specifications shall include: (i) a recipe for each menu item that includes the total yield, portion size, ingredients and all USDA required nutrient information; (ii) the identity of all branded items that may be

used in the meal; and (iii) whenever possible, the grade, style and condition of each food item and other information that indicates the acceptable level of quality for each food item. FSMC shall provide a detailed recipe for each Meal Specification identified for the 9th day in the a la Carte menu cycle. A hard copy of these recipes shall be kept on file at SFA.

5. FSMC may not change or vary the menus after the first menu cycle for the NSLP, SBP, ASCP, Summer Program or the a la carte items without written approval of SFA. SFA shall approve the menus no later than two weeks prior to service. (Reference 7 CFR §210.16 and 7 CFR §210.10) Any changes or variances requested by FSMC for substitutions to SFA menu of lower quality food items shall be justified and documented in writing by FSMC. FSMC must maintain documentation for substitutions and justification of lower quality food items for the records retention period that is applicable to food production records and shall make such documentation available to SFA, TDA and USDA for review upon request. (7 CFR 210.16(c) (1) and 7 CFR §210.23)

6. FSMC must submit a FFVP (Fresh Fruits and Vegetable Program) cycle menu based on the information contained in the 2004 Resource, Fruits and Vegetables Galore: Helping Kids Eat More, (available from the FNS website, and as described in current guidance from USDA and TDA.)

7. FSMC must comply with SFA's local wellness policy. In addition, the FSMC must comply with all state and local laws that affect school meal preparation and/or service.

E. Purchases

1. If FSMC is procuring goods or services that are being charged to SFA under a cost-reimbursable contract or under Section O of this Contract:

a. FSMC may not serve as a vendor.

b. SFA shall ensure that FSMC fully discloses all discounts, rebates, applicable credits, allowances, and incentives received by the FSMC. Allowable costs will be paid from the nonprofit school food service account to the FSMC net of all discounts, rebates and other applicable credits accruing to or received by the FSMC or any assignee under the Contract, to the extent those credits are allocable to the allowable portion of the costs billed to the SFA.

c. If FSMC receives a discount, rebate, applicable credit, allowance, or incentive, FSMC must disclose and return to the SFA nonprofit school food service account the full amount of the discount, rebate, or Applicable Credit that is received based on the purchases made on behalf of SFA, and appropriate records which allow the SFA to ensure compliance as described in Exhibit M of this document must be maintained by the FSMC. 7 CFR Part 210.21(f)(1)(i).

d. FSMC's determination of its allowable costs must be made in compliance with the applicable Department and Programs regulations (Reference 2 CFR Part 200).

e. FSMC must (1) separately identify, for each cost submitted for payment to the school food authority, the amount of an Allowable Cost and the amount that is unallowable, or (2) FSMC must exclude all unallowable costs from its billing documents and certify that only allowable costs are submitted for payment and that records have been established that maintain the visibility of unallowable costs, including directly associated costs in a manner suitable for Contract cost determination and verification.

f. FSMC shall identify the amount of each discount, rebate and other applicable credit on bills and invoices presented to SFA for payment and individually identify the amount as a discount, rebate, or in the case of other applicable credits, the nature of the credit.

g. The method by which FSMC shall report discounts, rebates and other Applicable Credits allocable to the Contract that are not reported before the conclusion of the Contract is by 10th of every month..

h. All discounts, rebates, allowances, and incentives must be returned to SFA by 30th of every month..

i. Under a cost-reimbursable contract, FSMC shall maintain documentation of costs and discounts, rebates and other Applicable Credits consistent with federal, state and local regulations, and shall furnish such documentation upon request to the SFA, or state or federal representatives or auditors.

2. Whether SFA conducts its own procurement or whether FSMC procures products on behalf of SFA, FSMC may not require any additional liability coverage, regardless of dollar value, beyond that which SFA would require under procurements not involving FSMC.

3. FSMC shall document and track all FFVP expenses separately and make this documentation easily accessible for SFA or TDA review. Cost should be broken into two categories, operational cost and administrative cost.

a. Operational cost should cover the primary cost to run the FFVP to include purchase of fruits and vegetables, including the cost of pre-cut produce and delivery charges; non-food items or supplies that are used in serving and cleaning; and salaries and fringe benefits for employees engaged in preparing and distributing fresh fruits and vegetables and in maintaining a sanitary environment.

b. Administrative costs are used principally to support planning and managing the program. Administrative costs cannot exceed ten (10%) percent of the SFA's FFVP costs. The SFA is required to strictly scrutinize all requests for reimbursement of FFVP costs, to ensure that those costs are: (i) allowable; (ii) actual costs; (iii) fully documented; (iv) utilized to purchase fresh fruits

and vegetables in accordance with applicable law and regulations; and (v) do not request reimbursement for more than 10% for administrative costs. TDA will monitor the SFA and FSMC to ensure strict compliance with this provision.

4. SFA must check only one of the purchasing options stated herein below [Note: SFA may not change the purchasing option once it has issued its RFP. Any change would be considered material and require SFA to either begin its procurement process again so that all bidders have the same opportunity or require SFA to pay FSMC using funds other than School Nutrition funds.]:

- a. SFA will do all purchasing for School Nutrition Program.
- b. Except for Section O, Paragraph 2, SFA will do all purchasing for CNP.
- c. For Cost-Reimbursable Contracts: FSMC bills SFA for foods when purchased. At the option of SFA, FSMC will purchase back unused supplies from SFA at the termination of the Contract in order to prevent overbuying (if FSMC bills SFA for supplies as purchased, rather than as used).
- d. For Fixed-Price Per Meal Contracts: FSMC will buy the beginning inventory, exclusive of commodities, from SFA (not applicable in a cost-reimbursable contract since FSMC should only be charging for new purchases).

5. If FSMC is acting as a purchasing agent on behalf of SFA and purchasing foods or other goods or services for SFA under this Agreement, SFA shall ensure that FSMC shall comply with all applicable competitive bidding and open competition requirements for such purchases, as set forth in 2 CFR Part 200, including but not limited to 2 CFR Sections 200.317-326. In addition, SFA shall ensure that FSMC shall comply with all applicable federal, state and local laws, rules and regulations, policies, and instructions of TDA and USDA and any additions or amendments thereto, including USDA Regulation 7 CFR Parts 210, 220, 245, 250; 2 CFR Part 200; and 2 CFR Part 180, as adopted and modified by USDA Regulation 2 CFR Part 417; 7 CFR Part 215 (SMP), if applicable; and 7 CFR Part 225 (SFSP), if applicable; 7 CFR Part 226 (CACFP); and 2 CFR Parts 200.38, 74, & 101(b)(1).

6. SFA and FSMC acknowledge that, to the extent required by 7 CFR § 250.23, 2 CFR Part 200, and SP 38-2017, SFA must, whenever possible, purchase only food products that are produced in the United States. As required by the Buy American provision, all products must be of domestic origin as required by 7 CFR Part 210.21(d). The District participates in the National School Lunch Program and School Breakfast Program and is required to use the nonprofit food service funds, to the maximum extent practicable, to buy domestic commodities or products for Program meals. A “domestic commodity or product” is defined as one that is either produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. as provided in 7 CFR Part 210.21(d). Exceptions to the Buy American provision should be used as a last resort; however, an alternative or exception may be approved upon request from SFA. Requests for exemption must include the: a) Alternative substitute(s) that are domestic and meet

the required specifications: i) Price of the domestic food alternative substitute (s); and ii) Availability of the domestic alternative substitute (s) in relation to the quantity ordered; and b) Reason for exception: limited/lack of availability or price (include price); iii) Price of the domestic food product; and iv) Price of the non-domestic product that meets the required specification of the domestic product.

7. SFA and FSMC acknowledge that to the extent required by Texas Education Code § 44.042(a), unless preempted by federal law or regulations, SFA or FSMC, if box “c” or “d” has been checked in paragraph 3 hereinabove, will use best efforts to purchase agricultural products produced, processed or grown in Texas if the cost and quality are equal. The availability of Texas products is expected by SFA. The farm to school relationship should be enhanced, encouraged and supported by any vendor supplying goods to SFA. Therefore, SFA will always give preference to items that can be delivered within 24 hours of harvest or production. It is encouraged that the FSMC submit a list of locally grown, processed, and manufactured items available through them for consideration on a regular basis. The products must be labeled and a good faith effort put forward by FSMC to purchase local first when available. In keeping with our mission of establishing relationships, we advocate for a fair price be paid to farmers to help make this important segment of our business sustainable.

F. USDA-Donated Foods

1. SFA shall retain title to all USDA-donated foods.
2. FSMC will conduct all activities relating to donated foods for which it is responsible in accordance with 7 CFR Parts 250, 210, 220, 225 and 226, as applicable.
3. SFA shall assure that the maximum amount of USDA-donated foods are received and utilized by FSMC. (7 CFR § 210.9(b)(15))
4. SFA shall ensure that FSMC has credited it for the value of all USDA-donated foods received for use in SFA’s meal service in the school year. (7 CFR § 250.51(a))
5. SFA shall maintain responsibility for procuring processing agreements, private storage facilities, or any other aspect of financial management relating to commodities. (7 CFR § 250.15)
6. FSMC shall accept and use all donated ground beef and ground pork products, and all processed end products, without substitution, in SFA’s Food Service Program. Upon termination of this Contract, or if this Contract is not extended or renewed, FSMC must return all unused donated ground beef, pork and processed end products to SFA. (7 CFR § 250.52(c))
7. FSMC further agrees to accept and use all other donated foods in SFA’s food service. FSMC may use (substitute) commercially purchased foods of the same generic identity, of U.S. origin, and of equal or better quality than the USDA-donated foods, in SFA’s Food Service Program.

SFA shall consult with the FSMC in the selection of commodities; however, the final determination as to the acceptance of commodities must be made by the SFA.

Upon termination of this Contract, FSMC must, at SFA's discretion, return other unused USDA-donated foods to SFA. The value of other unused USDA-donated foods shall be based on the market value of all USDA-donated foods received for use in SFA's food service. Market value shall be the allocated value provided to the SFA in the Texas Unified Nutrition Program System (TX-UNPS). (7 CFR § 250.51(a))

8. FSMC is prohibited from entering into any processing contracts utilizing USDA-donated foods on behalf of the SFA. FSMC agrees that any procurement of end products by FSMC on behalf of SFA will be in compliance with the requirements in subpart C of 7 CFR Part 250 and with the provisions of SFA's processing agreements. FSMC shall credit SFA for the value of USDA-donated foods contained in the end products at the processing agreement value. All refunds received from processors must be credited to SFA's Nonprofit School Food Service Account. (7 CFR § 250.51(a))

9. FSMC shall accept liability for any negligence on its part that results in any loss of, improper use of, or damage to USDA-donated foods.

10. FSMC shall credit SFA for the value of all USDA-donated foods received for use in SFA's meal service in the school year, whether the donated foods are used that year or not, including both entitlement and bonus foods and including the value of USDA-donated foods contained in processed end products. The manner in which FSMC shall account for the value of USDA-donated foods is (7 CFR § 250.51):

- Fixed-meal rate: FSMC must subtract from SFA's monthly bill/invoice the market value of all USDA-donated foods received for use in SFA's food service. The market value is based on the allocated value provided to the SFA in TX-UNPS.
- Cost-reimbursable: FSMC must itemize, in a separate line item in the regular monthly billing to SFA, the savings resulting from use of USDA-donated foods based on the market value of all USDA-donated foods received for use in SFA's food service. The market value is based on the allocated value provided to the SFA in TX-UNPS.

FSMC is prohibited from cashing out USDA-donated foods and providing a credit to SFA for USDA-donated foods. (7 CFR § 250.13)

11. FSMC will comply with 7 CFR 250.14(b) and 250.52 concerning storage and inventory management of USDA-donated foods in accordance with 7 CFR 250.52. FSMC will maintain accurate and complete records with respect to the receipt, use/disposition, storage, and inventory of USDA-donated foods and ensure that its system of inventory management will not result in SFA being charged for USDA-donated foods. Failure by FSMC to maintain the required records under this Contract shall be considered prima facie evidence of improper distribution or loss of USDA-donated foods.

12. FSMC will comply, as applicable, with 7 CFR 250.51 and 250.52 concerning payment of processing fees or submittal of refund requests to a processor on behalf of the SFA, or remittance of refunds for the value of donated foods in processed in products to the SFA, in accordance with requirements in 7 CFR Part 250 subpart C.

13. FSMC shall allow SFA and/or any state or federal representative or auditor, including the Comptroller General and USDA, or their duly authorized representatives, to perform onsite reviews of FSMC's food service operation, including the review of records, to ensure compliance with requirements for the management and use of USDA-donated foods. (7 CFR § 250.53(a) (10))

14. FSMC shall maintain records to document its compliance with requirements relating to USDA-donated foods in accordance with 7 CFR § 250.54(b). (7 CFR § 250.53(a) (11))

15. In a Fixed-meal rate contract, the bid rate per meal must be calculated as if no USDA-donated commodities were available.

16. FSMC acknowledges that renewal of this Contract is contingent upon the fulfillment of all contract provisions herein relating to USDA-donated foods. (7 CFR § 250.53(a) (12))

17. FSMC shall ensure that all federally donated foods received by the SFA and made available to the FSMC accrue only to the benefit of the school food authority's nonprofit school food service and are fully utilized therein. (7 CFR § 210.16(a)(6))

G. Employees

1. FSMC shall provide and pay a staff of qualified management (and operational) employees assigned to duty on SFA's premises for efficient operation of the Programs.

2. SFA must designate if current SFA employees, including site and area managers as well as any other staff, will be retained by SFA or be subject to employment by the FSMC. This must agree with the information reported in the List of Charts and Other Attachments, Chart 4, which is attached to this Contract as "Exhibit D" and fully incorporated herein, and the Schedule of FSMC Employees, which is attached to this Contract as "Exhibit H" and fully incorporated herein.

CHECK ONLY ONE:

Employees retained by:

SFA (See Exhibit D, Chart 4.)

FSMC (See Exhibit H)

Both SFA and FSMC (See Exhibit D, Chart 4 and Exhibit H)

For any employees retained by FSMC, SFA shall provide in Exhibit H a list of each FSMC food service position and the minimum qualifications acceptable to SFA for each position.

3. Any food service position not identified in the above-stated Exhibits shall be an employee of SFA. Such employees shall be supervised on SFA's behalf by FSMC management employees; provided, however, that SFA shall retain the exclusive right to control the terms and conditions of the employment of such supervisory and non-supervisory employees, including, but not limited to, control over their hiring, firing, promotion, discipline, levels of compensation and work duties.

4. If SFA is sharing FSMC employees with other SFAs, SFA shall identify in Chart 9 of the "List of Charts and Other Attachments," which is attached to this Contract as "Exhibit D" and fully incorporated herein, each SFA with whom the FSMC employee is to be shared and state the percentage of time each employee will spend with each SFA. SFA's budget shall reflect percentage of time each employee will work at SFA and for which SFA will be charged.

5. SFA shall have final approval regarding the hiring of Food Service Director.

6. FSMC shall comply with all wage and hours of employment requirements of federal and state laws. FSMC shall be responsible for supervising and training personnel, including SFA-employed staff. Supervision activities include employee and labor relations, personnel development, and hiring and termination of FSMC management staff, except for the Food Service Director. FSMC shall also be responsible for the hiring and termination of non-management staff who are employees of FSMC.

7. If provided for in the Proposal, SFA and FSMC may transition SFA's food service employees to FSMC's payroll. If transition occurs, FSMC shall give first consideration to current employees of SFA or incumbent contractor when hiring employees to provide services pursuant to this Contract, but FSMC shall not be obligated to hire such employees. SFA shall not pay cost of transferring SFA employees to FSMC payroll. Under a cost-reimbursable contract, after transition occurs, FSMC may charge the cost of transitioned employees to SFA as Direct Costs.

8. FSMC shall provide Workers' Compensation coverage for its employees, as required by law.

9. FSMC shall instruct its employees to abide by the policies, rules, and regulations with respect to use of SFA's premises as established by SFA and which are furnished in writing to FSMC.

10. FSMC shall maintain its own personnel and fringe benefits policies for its employees, subject to review by SFA. Under a cost-reimbursable contract, fringe benefits, as well as the basis for any salary increases, must be specified in the Proposal and approved by SFA in order for these to be Allowable Costs. Salary increases, if any, shall be awarded, in part, on the basis of criteria mutually established by SFA and FSMC. Such criteria, at a minimum, shall reflect measurable and substantive improvements in operating efficiencies, such as unit costs for food, labor and direct items or specific and identifiable increase in such

areas as the total numbers of students and staff participating in food service programs, and the total number of identified students for free and reduced meal reimbursements.

11. FSMC shall assign to duty on SFA's premises only employees acceptable to SFA.

12. Staffing patterns, except for the Food Service Director, shall be mutually agreed upon.

13. FSMC will remove any employee who violates health requirements or conducts himself or herself in a manner that is detrimental to the well-being of the students, provided such request is not in violation of any federal, state or local employment laws. In the event of the removal or suspension of any such employee, FSMC shall immediately restructure the food service staff to avoid disruption of service.

14. FSMC shall cause all of its employees assigned to duty on SFA's premises to submit to health examinations as required by law and shall submit satisfactory evidence of compliance with all health regulations to SFA upon request.

15. All SFA and FSMC personnel assigned to the food service operation in each school shall be instructed in the use of all emergency valves, switches, and fire and safety devices in the kitchen and cafeteria areas.

16. To the extent and in the manner required by state law, FSMC shall perform a security (background) check on any FSMC employee that will be working at SFA.

17. FSMC shall not blacklist or require a letter of relinquishment or publish or cause to be published or blacklisted any employee of FSMC or SFA discharged from or voluntarily leaving the service of FSMC or SFA with intent of and for the purpose of preventing such employee from engaging in or securing similar or other employment from any other corporation, company, or individual.

19. Both SFA and FSMC shall ensure that their employees adhere to the professional standards and continuing education training requirements as required by federal regulations, codified at 7 CFR Part 210.30, throughout the initial term and all renewals of this Contract. School food authorities that operate the National School Lunch Program, or the School Breakfast Program (7 CFR Part 220), must establish and implement professional standards for school nutrition program directors, managers, and staff, as defined in 7 CFR Part 210.2. Both SFA and FSMC shall establish and implement the foregoing standards and requirements under this Contract.

H. Use of Facilities, Inventory, Equipment, and Storage

1. SFA will make available, without any cost or charge to FSMC, area(s) of the premises in which FSMC shall render its services. SFA shall have full access to the food service facilities at all times and for any reason, including inspection and audit.

2. At the commencement, termination or expiration of this Contract, FSMC and SFA shall take a physical inventory of all non-expendable supplies and capital equipment owned by SFA, including, but not limited to, silverware, trays, chinaware, glassware and kitchen utensils and all furniture, fixtures, and dining room equipment utilized in SFA's Food Service Program. FSMC and SFA shall mutually agree on the usability of such supplies and equipment and, at the expiration or termination of this Contract, FSMC shall surrender to SFA all non-expendable supplies and capital equipment in the condition in which it was received except for ordinary wear and tear, damage by the elements and except to the extent that said premises or equipment may have been lost or damaged by vandalism, fire, flood or other acts of God, or theft by persons other than employees of FSMC except through the negligence of FSMC or its employees, or for any other reason beyond the control of FSMC. FSMC and SFA will sign a summary of the beginning inventory at the commencement and at the expiration or termination of this Contract and keep a copy of each on file with this Contract.

3. At the commencement and at the expiration or termination of this Contract, FSMC and SFA shall jointly undertake a beginning and closing inventory of all food and supplies. Commodities shall also be inventoried by a separate inventory. FSMC and SFA shall determine whether any portion of the beginning inventory is not suitable for SFA's continued use. Such inventory, when completed, shall become a part of this Contract by incorporation. FSMC shall be responsible for accounting for any difference between the beginning inventory and the ending inventory and shall compensate SFA for any shortfall in inventory not arising from: (1) normal wear and tear; or (2) theft, fire or other casualty loss beyond the control of FSMC and not arising from the negligence of FSMC or its agents. The value of the inventories, except for commodities inventories, shall be determined by invoice cost. The value of commodities inventories shall be the market value, which is the value in USDA's Electronic Commodity Ordering System (ECOS) at the time the USDA-donated foods are received by SFA.

4. During the course of this Contract, title to all SFA food and supplies shall remain with the SFA.

5. FSMC shall maintain the inventory of silverware, chinaware, kitchen utensils and other operating items necessary for the food service operation and at the inventory level as specified by SFA.

6. SFA will replace expendable equipment and replace, repair and maintain nonexpendable equipment except when damages result from the use of less than reasonable care by the employees of FSMC.

7. FSMC shall maintain adequate storage procedures, inventory and control of USDA-donated foods in conformance with SFA's agreement with TDA.

8. FSMC shall provide SFA with keys for all food service areas secured with locks.
9. SFA shall provide FSMC with local telephone service.
10. SFA shall provide water, gas and electric service for the food service program. If SFA is providing water, gas and electric service for the food service program, charges to the food service account shall be determined in the following manner: . District may use this formula:

District will:

- 1) Calculate the square footage of the kitchen by developing a percentage of utilities based on the square footage of the food service facilities in relation to the total school square footage.
- 2) Determine the percentage of time the kitchen is in use compared to the total campus use. (The kitchen may operate 7 hours but the school day with activities may be 9 hours.)
- 3) Apply percentages to the average cost of the total utilities.

District will only charge utilities for kitchens during months of operation (if the kitchen was not operating in the summer, District will not charge the food service operation for utilities during the summer months.) District will not include cafeteria usage when the cafeteria is used for purposes other than feeding students (pep rallies, study hall, evening functions).

11. SFA shall furnish and install any equipment and/or make any structural changes to the facilities needed to comply with federal, state, or local laws, ordinances, rules and regulations.
12. SFA shall be responsible for any losses, including USDA-donated foods, which may arise due to equipment malfunction or loss of electrical power not within the control of FSMC.
13. FSMC shall not remove any food preparation and serving equipment owned by SFA from SFA's premises.
14. SFA shall not be responsible for loss or damage to equipment owned by FSMC and located on SFA premises.
15. FSMC shall notify SFA of any equipment belonging to FSMC on SFA premises within ten days of its placement on SFA premises.
16. FSMC shall comply with all SFA building rules and regulations.
17. FSMC shall not use SFA's facilities to produce food, meals or services for third parties without the approval of SFA. If such usage is mutually acceptable, there shall be a signed agreement that stipulates the fees to be paid by FSMC to SFA for such facility usage. Such usage may not result in a cost to the Non-profit Food Service Account.
18. SFA, on the termination or expiration of this Contract, shall conduct a physical inventory of all equipment, food and supplies owned by SFA.

19. Upon termination of this Contract, FSMC shall surrender to SFA all of SFA's equipment and furnishings used in SFA's Food Service Program in good repair and condition, reasonable wear and tear excepted.

I. Health Certifications/Food Safety/Sanitation

1. FSMC shall maintain, in the storage, preparation and service of food, proper sanitation and health standards in conformance with all applicable State and local laws and regulations and comply with the food safety inspection requirements of § 210.13(b). (7 CFR § 210.9(b) (14))

Award Criteria

Proposals will be evaluated by a SFA committee based on the offer per meal/meal equivalent and the criteria, categories and assigned weights as stated herein below (to the extent applicable). Contracts must be awarded to the responsive and responsible bidder whose proposal is lowest or most advantageous to the program with price and other factors considered of which cost must be the primary consideration. DESIGNATION OF PROGRAM EXPENSES

The SFA has deemed the following Program Expense schedule to be a necessary part of this bid specification as an indicator of who will bear ultimate responsibility for the cost. Costs that are not provided for under the standard contract terms and conditions, but are necessary for the effective on-site operation of the food service program and are directly incurred for the SFA's operation, must be assigned by the SFA and included in the RFP. The column selected by the SFA for each expense represents whether the SFA or FSMC is ULTIMATELY responsible for that cost.
